

Bureau of Water and Wastewater Division Chief III – Engineering Division

Job Summary

A great career opportunity awaits you at the Baltimore City, Department of Public Works (Maryland). We are currently seeking qualified candidates for the position of Division Chief III to lead the Engineering Division of the Bureau of Water and Wastewater.

The Candidate will serve as Chief Engineer to provide oversight of the Bureau's \$2.2 Billion capital improvement program. The Division Chief of Engineering will direct strategic planning, study and design for water and wastewater infrastructure renewal. The successful candidate will develop and implement practices that support the goals of the Bureau and that seek to meet the projected growth needs of the region in which the bureau operates. The Division Chief will also be responsible for the fiscal administration of the Division, which includes preparing capital and operating budgets, authorizing all expenditures and preparing requisitions for equipment, materials and supplies. The incumbent will also have the added responsibility of ensuring the Division's operations are in compliance with all Federal, State and local laws and regulations.

Job Requirements

A bachelor's degree in civil engineering and 7-10 years of civil engineering experience, including 3-5 years supervisory and project management experience. A master's degree in civil engineering may be substituted for one year of the experience requirement. A Professional Engineer license is required and a valid Maryland Class C noncommercial driver's license or equivalent out-of-state driver's license.

Baltimore City Department of Public Works offers a competitive benefits package. Salary commensurate with education and experience.

How to Apply

The Bureau of Water and Wastewater will be accepting applications beginning February 16, 2010 and will remain open until filled. Qualified candidates should submit a statement of interest and resume, specifically addressing their education and experience relevant to this position to:
